Spring Term

6th March 2020

Dear Parents and Carers,

We are very excited to send off two teams to the Quiz club next week to perform in central London. Afua & Sam, Gabriel & Reagan, Soraya & Cassius, Holly E and Leo have all been rehearsing really well. Good luck!

In this newsletter– World Book Day, Maths Week and an update on Athletics!

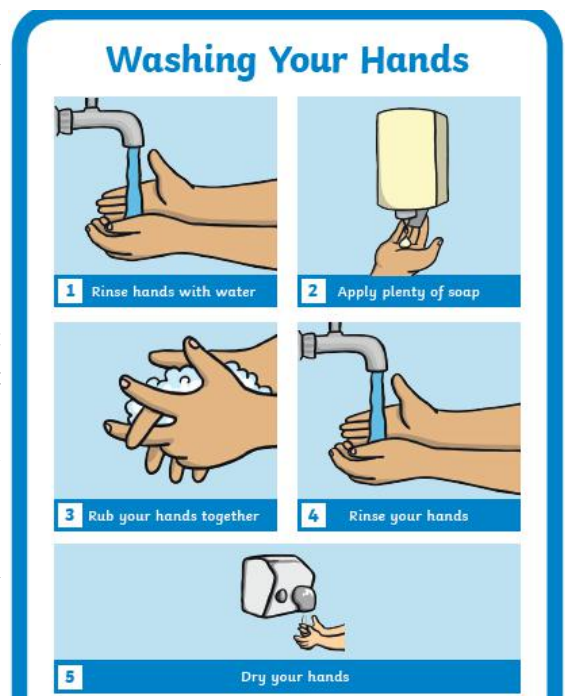

Thank you to all who attended the parents evenings this week, and the patience for those who are waiting for theirs. We do try to cancel with as much notice as possible but cannot avoid poorly teachers. Do remember you can book meetings via the office at any time with class teachers, Phase leaders or members of the senior team.

A huge thank you to everyone who came to BINGO last week. Sarah and Lorraine were excellent organisers on the night. That leads onto the amazing work of the PTA. You are brilliant people and have helped raise over £8500 already and so we can already purchase our stage. Thank you, thank you, thank you for all your help towards this.

Lastly there is a vacancy for an LSA post– please share far and wide.

<https://www.bbc.co.uk/newsround/51698180>

Have a lovely week.
Elizabeth Savage
Headteacher

Week Ahead - W/C 9th March 2020

- Science Week
- Thursday 12th March - Year 3 Assembly

World book day

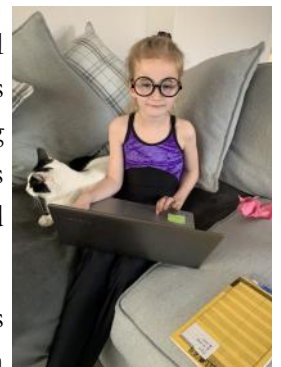

Maths Week

Wow, what a week! There has been an amazing amount of maths up and down the school all week and it's been fabulous to see the children really engaged in their maths challenges. Classes have been planning and costing out parties and restaurant trips, as well as investigating questions such as 'does the child with the longest finger also have the longest toe?' and 'does the person with the biggest feet have the heaviest shoes?' Year 1 did traffic surveys and Greenjays investigated the phases of the moon.

Today children have worn numbers and spent time thinking about how to make connections with other children and their numbers. We have also written maths stories that the classes can share with the rest of the school and completed our school wide Times Tables Rockstars competition.

Look out next week for more photos and competition winners.

We have been busy

Green jays class had the privilege of being the first class ever to go into the new dance and sensory centre. Cillian, who works for Now Press Play, set out the rules of what we were going to be doing. We had an exciting space story, but it was not read from a book, it was streamed through bright pink wireless headphones! We acted out the story as it was played to us so we had to, climb a ladder into the space ship, move around the space ship and pretend to eat astronaut ice cream and travel North, South, East and West to do a special tasks. After exploring Mars, and finding water, we had to go back into the space shuttle ready to spend 300 days to come back to Earth. On the way back, we had the mission to destroy an asteroid! We did have to disobey NASA, Neil Armstrong and Valentina Tereshkova, but we saved the United Kingdom! We would do this type of learning again in a heart-beat because it was so much fun and we learnt loads about space too!

Pupil Absence

If your child is ill, please either phone or send a studybug stating your child's name and the reason for their absence. This must be done on every morning of absence before 9.30am. If your child is absent for longer than a week, please provide evidence of attendance at your GP clinic. (A stamped and dated appointment card is sufficient).

If you have a Co-op card please consider choosing Jennett's Park PTA as your local cause. Please note a new round has begun, which means the process starts again, so even if you previously selected JP, you will need to do so again. <https://membership.coop.co.uk/causes/34299#>

Y3/4 Athletics

A huge congratulations to all athletes who took part in the Athletics event last week. The children produced some excellent performances and it was a lovely to see so many enjoying themselves. Jennett's Park came an impressive 6th out of 24 teams. Well done!

Competitions and Challenges

I love a competition. These are the new competitions and details/ deadlines . Please make sure all names are clear. If you are entering from outside the school please ensure we have your contact details.

Competition Name	Description	Open to	Entries to	Prizes	Closing Date

Books of any sort of age range 2- 11	June 2018	Office
Puppets/ Dressing up clothes	April 2018	Mrs Savage
Lego	April 2018	Office
Storage boxes/ trolleys	March 2018	Office

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

♥ Love

Honesty

Respect

☮ Peace

Our Owl Learning Behaviours are:

C - Collaboration

O - Optimism

P - Perseverance

P - Pride

I - Inspiration

C - Challenge

MD - Managing Distractions

☹ Forgiveness

⌚ Patience
