Spring Term

3rd April 2020

Dear Parents and Carers and children,

Easter– we will be limiting our outward emails during Easter break– whilst many of us are rota's in school it might take a little longer to re-via email. We are still working with Key worker children and Vulnerable children and these have to remain our priority. Please be patient. Any email sent in will be seen, but unlike normal not immediately replied to.

Our updated appendix to include **COVID Safeguarding** policy attached

Booklets

We know some people are coming to the end of their paper work booklets. We want to continue to offer posting of work on a fortnightly basis to you as parents and children. We have found a company to deliver to you for no extra cost to you.

The first pack would contain 'Easter activities' and a copy of the two themed project weeks coming up. Please respond by Monday 6th April at 1pm to ensure you get the first booklet. Anything past this will wait for the next fortnight bundle. If this is successful we would then post out a booklet on a fortnightly basis one for EYFS/ KS1/ Lower KS2 and Upper KS2 & a copy of the project for those two weeks.

You can cancel via the school@jennettpark.bracknell-forest.sch.uk at any time (be aware booklets may have already been printed and sent). We do not mind if you do not want this sent- there are many families who have already accessed the online materials. This is for those families who do not have a printer or who struggle to access the online materials for any reason. Please do not ask for packs for families other than your own children or for people not in our school community. They will be politely refused.

The **Virtual Choir** will be ready to go soon – Yakity Yak is the second song. Some lovely video's coming in already. You are brilliant. <https://www.jennettspark.bracknell-forest.sch.uk/virtual-choir/>

I was really disappointed this week to learn that the **NHS Nightingale DON'T WANT OUR PICTURES THROUGH THE POST.** We had over 15 messages saying can we take part. I was gearing up for a mass picture bundle to send—it had Jennett's Park written all over it!

More details sent were: Facebook page urging children to send rainbow drawings to cover the walls of the new NHS Nightingale Hospital in London are fake, the NHS has warned. The accounts call for youngsters to post their designs to addresses across the country and said they would send them on to the Ex-CeL centre. One claimed: 'These will be put up on the walls in the Nightingale Hospital to brighten the place up.'

But NHS Nightingale's official Twitter page revealed the requests are not legitimate and asked the public not to send any via post. It wrote: 'Unfortunately, a fake Facebook account has been set up for the Nightingale Hospital London asking people to share rainbow pictures. 'Please be aware of misinformation and only get your information from trusted sources.' It added: 'We love that so many of you have shared your amazing rainbow pictures, but please don't send them in the post the Royal Mail would be swamped and we have no safe way to cleanly put up pictrues 'We're working on a way to receive them, but for now please share using #RainbowsForNightingale.'

Shame, but yes let's keep decorating our community!

Take care and stay safe.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
