Dear All,

I write honestly as always. Picking up at the end of the day remains an issue.

The guidance is HANDS, FACE & SPACE

To be clear so we do not have to reduce the amount of time or to reduce a spread you must follow these three things:

- 1) Keep children with you. They MUST not run around on their own.
- 2) Leave enough space between yourself and others
- 3) Do not expect to meet staff at doors. Phone in or Email if you need us at secretary@jennetts.bonitas.org.uk

Some people were left feeling uncomfortable today after poor spacing. We are all anxious about the coming lockdown yet rushing does not help.

I cannot insist that you wear a mask outside walking round. I would strongly recommend one.

You are invited on school site at my discretion as Headteacher. I do not wish to use this alternative but parents & carers of children who do not comply with reasonable spacing will be asked to pick up their children at 3:30 moving forwards.

Children in Y456 who have permission to leave offsite won't be released until 3:15.

We are all in this together and it is not reasonable to rush onsite or disregard spacing.

Tomorrow evening we will slow down the entry onsite to only 40 at a time. Please queue patiently across the front of the building until you are asked onsite. Please leave the site in an orderly manner.

Kind regards

Liz Savage

Headteacher of JPCE
